*Section 3. The 2014B Bonds and the 2014C Bonds shall be issued in an aggregate principal amount not exceeding \$182,000,000 for the purpose of financing the refunding of part or all of the 2005 Bonds.

The 2014C Bonds shall be issued to provide for the current refunding of any 2005 Bonds which cannot be advance refunded under the requirements of the Code. The 2014C Bonds may be sold to the Underwriters pursuant to the Forward Delivery Bond Purchase

Agreement providing for a forward delivery of the 2014C Bonds (any time after October 2, 2014).

The 2014B Bonds and the 2014C Bonds shall consist of Current Interest Bonds that are Serial Bonds or Term Bonds or a combination thereof, dated as of such dates, maturing on such dates in such years not later than January 1, 2029, and in such principal amounts and bearing interest at such rates, all as determined by the unanimous agreement of the Delegates prior to the award of the 2014B Bonds and/or the 2014C Bonds; provided that the true interest cost of said bonds shall not exceed 6.00% and subject to their receipt of the advice of the Authority's Financial Advisor, Brown Advisory, LLC (the "**Financial Advisor**"), that the Authority will have surpassed the standard of an aggregate net present value debt service savings, as determined by the Financial Advisor, of not less than three percent (3%) of the aggregate principal amount of the 2005 Refunded Bonds. *Section 4. Bond Designations Subject to Change.* The series designations authorized above may be changed by the Delegates to reflect the actual sequence in which they are issued. The Delegates shall also be authorized to combine the 2014B Bonds and the 2014C Bonds into a single series which may be awarded to the Underwriters on a current delivery basis. Any series may be issued without the issuance of the other series, and the Supplemental Trust Agreement Number 11 may be reconstituted into separate supplements applicable to one or more of the series.

*Section 5. Redemption Provisions.* The 2014 Bonds, or any particular series of the 2014 Bonds, shall be subject to optional redemption at such times, upon such terms and conditions, and at such prices, all as determined by the unanimous agreement of the Delegates prior to the award of such 2014 Bonds; provided that the 2014 Bonds shall be subject to redemption prior to maturity at the option of the Authority on a date not later than January 1, 2025 and at a redemption price not to exceed 102%; provided further, however, that if the Authority's Financial Advisor shall advise the Delegates that the incremental savings to be realized from the Authority's extending the period during which the 2014 Bonds (or any particular series of the 2014 Bonds) are not subject to redemption at the option of the Authority or making all or any of the 2014 Bonds not subject to redemption at the option of the Authority outweigh the value of the call options that could otherwise apply with respect to such 2014 Bonds and the Delegates shall agree, then such 2014 Bonds (the 2014 Bonds with respect to which such determination shall be made that such incremental savings outweigh the value of the call options that could otherwise apply) shall not be subject to redemption, at the option of the Authority, for such extended period or periods or prior to their stated maturity, as the case may be. The Term Bonds shall have such Amortization Requirements (and corresponding mandatory sinking fund redemption requirements) as determined by the unanimous agreement of the Delegates prior to the award of the 2014 Bonds.

including revisions to the definition of “Investment Obligations” and revisions to Section 502 “Uniformity of Tolls” authorizing: (i) the Authority to approve discounts and exemptions in the payment of tolls for the use of the Ferry provided that the Authority determines in good faith that such discounts or exemptions will increase the net revenues or reduce the net losses of the Ferry; and (ii) funerals and other memorial processions associated with honoring the loss of life to use the Bridge without paying tolls. Any Authority Representative is further authorized to determine the particular Defeasance Obligations to be purchased and the form thereof and the terms of any related agreement with respect thereto that, in his judgment, will improve the efficiency of the Defeasance Obligations in defeasing the Refunded Bonds.

**Committee:** Budget & Finance Committee

**Committee Date:** May 20, 2014

**Board Date:** May 20, 2014

**Purpose of Resolution:** In 2014, the Authority intends to evaluate the issuance of new debt in connection with the financing of a portion of its Five-Year Capital Plan, as well as refund for significant debt service savings all or a portion of the outstanding callable 2005 Bonds in accordance with the thresholds of this resolution.
