Resolution 15-49 – Executive Summary Sheet

- Resolution:** Authorizing the Execution of a Lease Amendment between the Delaware River and Bay Authority and Citibank N.A., regarding the New Castle Airport, New Castle, DE
- Committee:** Economic Development
- Committee Date:** December 15, 2105
- Board Date:** December 15, 2015
- Purpose of Resolution:** To permit the Executive Director, Chairperson and Vice Chairperson to execute and deliver a lease amendment for land at the New Castle Airport.
- Background of Resolution:** The Delaware River and Bay Authority operates the New Castle Airport. Citibank currently lease 16.34 acres of land for a corporate facility at the airport. Citibank desired to renew their lease at the existing site for an additional ten (10) years and made a request to have the right to purchase the property during the lease term. Since the DRBA does not own the property but operates under a long term lease County consent is required. Also a portion of the property has FAA restrictions on use and an official release request from these restrictions will be required from the FAA. This amendment grants DRBA approval of the right of Citibank to purchase the property pending various approvals and consents from the County and the FAA.
