

**COMPLAINANT'S  
MEMORANDUM OF UNDERSTANDING**

It is understood by the undersigned that the investigation of a complaint by the professional standards unit of the Delaware River and Bay Authority Police Department will have absolutely no bearing on any criminal charges presently pending before any judicial body.

The professional standards investigation is an administrative procedure involving the internal inspection of actions taken by the Delaware River and Bay Authority Police Department in the line of duty for compliance with departmental rules and regulations only. It is not intended to gather evidence for the criminal prosecution of the defendant.

**No criminal charges will be dismissed in return for a withdrawal of or failure to file an internal affairs complaint.**

If there are charges currently pending against the complainant by any policy agency, the findings of this office may be held until disposition of those charges in accordance with the laws of the state of Delaware and/or the state of New Jersey.
