NOW, THEREFORE, BE IT RESOLVED, that the Authority authorizes expenditures to the above-listed vendors for the described purposes and authorizes payment.

Resolution 25-54 was moved by Commissioner Houghton, seconded by Commissioner Ratchford, and was approved by a roll call vote of 9-0-1 with Commissioner Carey abstaining.

Resolution 25-54 Executive Summary Sheet

Resolution: Authorizing Authority Expenditures Pursuant to Resolution 24-17 for the period January 1, 2026, through December 31, 2026.

Committee: Budget & Finance

Committee and Board Date: December 16, 2025

Purpose of Resolution:

To receive Commissioner approval of the identified vendors and expenditures for those specific professional service contracts, non-professional service contracts, materiel, and supply contracts valued at \$50,000 or above, and for those specific construction management or construction contracts valued at \$200,000 or above, that otherwise would require a public competitive process per Resolution 24-17.

Background for Resolution:

The proposed Resolution meets the requirements of Resolution 24-17, whereby the Authority shall not enter into any contract committing the Authority to spend or make any other expenditures relating to services, material and supplies in the amount of \$50,000 or more, or a construction management or construction contract in the amount of \$200,000 or more, unless it has first been approved by a vote of Commissioners.

Purchase Detail:

Activu Corporation: Emergency Response Hardware and Software

The Authority updated existing visualization software at the DMB and Cape May Dispatch Centers. Activu will be providing software support to maintain interoperability between both dispatch centers. The expenditure amount represents the total estimate of the service contract.

Adelte Ports and Maritime SLU: Passenger Loader Tubes Maintenance Program at CMLF

The Authority entered into a service agreement for annual preventative maintenance training when it purchased the Adelte passenger boarding bridges located at the CMLF Terminals. As the original equipment manufacturer, Adelte technicians make several visits to train Authority staff on proper inspection, testing and lubrication of the system's mechanical, electrical and control equipment.

Advance Aviation: Outbound Digital Advertising Associated with Commercial Air Service at ILG

The Authority plans to continue contracted services with Advance Aviation to provide digital advertising for outbound flight destinations related to the Air Service Incentive Agreement and the airport marketing associated with commercial air service at ILG.

Advantech Inc.: Replacement Video Management System

The Authority will be utilizing Advantech to replace the current Video Management System (VMS). Advantech sells and supports Milestone Systems, the new VMS manufacturer selected by the Authority, and will provide integration and implementation of the new VMS in accordance with the prices of their competitively-bid state contract for Building Access Security Services (*DSU23PC22007-NEWECIC Security and Surveillance*).

Alimak Group USA Inc.: Delaware Memorial Bridge Elevator Maintenance

The Authority utilizes a service provider for elevator maintenance and inspection on the Delaware Memorial Bridge. Alimak is the sole source manufacturer and supplier of the existing elevator. 2026 represents the final year of a three-year service contract with this vendor.

Alphametic LLC: Digital Marketing Support for DRBA Websites

The Authority plans to continue utilizing the support services of Alphametic for Google Ads management to drive targeted traffic. For consistency purposes, Alphametic will serve as the single source vendor for SEM and SEO support services for all DRBA websites.

American Bureau of Shipping d/b/a ABS Americas: Vessel Inspections and Certifications

The American Bureau of Shipping (ABS) is the sole regulatory body authorized to perform inspections on vessels that are built according to ABS standards/classifications. All of the Authority's vessels were built to ABS standards and thus all are subject to ABS inspections and associated with US Coast Guard regulations.

Assurance Media, LLC: Service and Equipment Installation for CCTV

As part of its Security Enhancement Program, the Authority continues to upgrade its closed-circuit television (CCTV) located throughout the facilities to improve surveillance and video streams, add network flexibility, and provide enhanced features such as remote accessibility. The replacement equipment, professional services, and implementation will be purchased at prices matching Assurance Media's state contract to provide Building Access and Video Surveillance Systems, (*GSS21745-AV_EQPTCONF*).

Audacy, Inc.: Radio Advertising Associated with Commercial Air Service at ILG

The Authority plans to continue to contract with Audacy to provide radio advertising related to the Air Service Incentive Agreement and the airport marketing associated with commercial air service at ILG.

AVAYA, Communications, Inc., c/o Ring Central: Authority-wide Phone System Service and Support

The Authority purchases AVAYA enterprise phone system support from Ring Central for its on-premises phone system. Purchases are made at their state contract price (*DSU23PC22007-NEWECIC Security and Surveillance*).

Canon Business Solution, Inc.: Authority-wide Copier Leases

Canon Business Solutions, Inc. is party to a state contract (*GSS24091-COPIER_PRI*) to provide copier leases. This expenditure will cover the cost of all copier leases and supplies Authority-wide.

Carahsoft Technology Corporation: Website Hosting

The Authority utilizes Carahsoft for website hosting of all DRBA and CMLF sites. The hosting service will be provided at prices pursuant to state contract (*GSS17793-CLOUD_SOL*).

Carus AB Ltd: Maintenance, Support and Hosting for CMLF Fare Collection and Reservation System

Carus is the proprietary vendor that developed the Fare Collection and Reservation System for the Cape May-Lewes Ferry. This expenditure will cover the annual maintenance and support expense for this system as well as the purchase of additional modules.

Cato, Inc.: Unleaded Gasoline and Diesel for DMB Vehicles & Equipment

The Authority stores and dispenses unleaded gasoline and diesel at the DMB Administrative Complex for use in Authority-owned vehicles and equipment. The price per-gallon for gasoline and diesel is competitively awarded by the State according to the county and the capacity of the tank which the purchased gasoline will be stored. Cato is currently a party to the lowest-priced state (*GSS21002-GASOLINE*) and (*GSS21550-ULSD*)

Chammings Electric, Inc: Annual Maintenance and Monitoring of the DMB Dehumidification System

Over the previous years, Chammings Electric, as a subcontractor of American Bridge, has performed monthly preventative maintenance services to the Delaware Memorial Bridge cable dehumidification system. The Authority and its professional consultants have evaluated the options to continue receiving these necessary services, including assigning to in-house personnel, or continuing with a contractor, and based on a favorable cost analysis and Chamming's proven abilities, the Authority entered into a successive multi-year contract with Chammmings Electric. 2026 will represent the final year of the five-year contract for these services.

Clear Channel Outdoor Holdings, Inc. d/b/a Clear Channel Outdoor LLC: Billboard Advertising Associated with Commercial Air Service at ILG

The Authority plans to continue contract services with Clear Channel Outdoor to provide billboard advertising related to the Air Service Incentive Agreement and the airport marketing associated with commercial air service at ILG.

CNI Sales, Inc: Wireless Networking Equipment

The Authority utilizes CNI for support of all wireless networking equipment Authority-wide at prices pursuant to state contract (*GSS20579-DATACOMM*).

Daktronics, Inc.: Variable Message Displays at Wilmington Airport

The Authority plans to purchase three (3) new Variable Message Display (VMS) boards for Wilmington Airport. The VMS boards will be placed at the entrance of each parking

lot to communicate parking availability to airline passengers. A key component of the system is the proprietary Daktronics software, which the Authority uses to manage current VMS boards at other facilities. By continuing with Daktronics, it ensures that all displays are uniform in presence, fully compatible with our existing infrastructure, and can be maintained by Authority trained staff.

Delaware Business Systems: Annual Maintenance and Equipment for Point-of-Sale System at CMLF Terminals

Delaware Business Systems provides proprietary hardware and annual maintenance to the existing Food & Retail point-of-sale system at CMLF terminals.

DVL Group, Inc.: Uninterruptible Power Systems (UPS) Services and Replacements

The DRBA utilizes the expertise of the DVL Group to provide infrastructure management solutions and services. Uninterruptible Power Supplies (UPS) sustain the Authority's critical operations/infrastructure in the following locations: DMB Administration - Authority Wide Server Room, DMB Julia Building - Toll System and critical power, Lewes Administration - Server Room, and Cape May Administration - Server Room.

eMaint: Annual Licenses, Maintenance and Support for CMMS System

The Authority uses a proprietary Computerized Maintenance Management System (CMMS) to help schedule, plan, manage, and track maintenance activities associated with equipment, vehicles, and facilities. This purchase represents the estimated annual cost for licenses, maintenance, and support.

Engine Monitoring, Inc. (EMI), a Division of W&O: MV New Jersey Steering System

The Authority plans to purchase a new steering system for installation during the scheduled 2026 MV New Jersey dry-docking. EMI was previously selected to replace the steering system onboard the MV Cape Henlopen and MV Delaware. For consistency purposes in simplifying the system technology, maintenance, and spare parts across the CMLF fleet, EMI has been determined as the proprietary steering system vendor.

Enterprise Fleet Management, Inc.: Lease of Fleet Vehicles

The Authority plans to enter into lease arrangements for fleet vehicles at all locations. Each vehicle lease will be entered into at prices pursuant to the Enterprise's competitively bid cooperative contract (*Sourcewell #030122-EFM*).

Fedway Associates, Inc.: Wine and Spirits for CMLF

The Authority purchases wine and spirits through Fedway Associates for its Cape May terminal food operations. Fedway Associates holds the exclusive regional distribution rights to the specific brands that the Authority uses according to customer demand. Sales are regulated by the State of New Jersey Alcoholic Beverage Commission.

Forever Media of DE, LLC d/b/a WDEL – AM/FM, WSTW – FM: Radio Advertising Associated with Commercial Air Service at ILG

The Authority plans to continue contract services with Forever Media to provide radio advertising related to the Air Service Incentive Agreement and the airport marketing associated with commercial air service at ILG.

Fortbrand Holdco LLC d/b/a Fortbrand Services LLC: Seasonal Lease for Snow Removal Equipment at Wilmington Airport

The Authority plans to lease seasonal snow removal equipment to be used at Wilmington Airport. This expenditure includes the lease of a used Vammas PSB 5500 and delivery to the airport. Fortbrand has been identified as the exclusive North American distributor for airport snow removal and maintenance equipment.

GovConnection, Inc.: Microsoft Enterprise and other Software Licensing

The Authority purchases Microsoft Enterprise operating licenses (such as Windows Enterprise, Microsoft Office, etc.) and other software licenses from Gov Connections, a licensed Microsoft reseller.

Griffith Energy Services d/b/a Carl King: Gasoline and Diesel Fuel for Delaware Airpark, Wilmington Airport and Lewes Ferry Terminal

The Authority stores and dispenses Gasoline and Diesel Fuel at its Delaware-based facilities for use in Authority-owned vehicles and equipment. The price per-gallon of gasoline and diesel fuel is competitively awarded by the State according to the county and the capacity of the tank in which the purchased fuel will be stored. Carl King Energy is currently a party to a competitively-bid state contract to provide gasoline and diesel fuel (*GSS21002-GASOLINE and GSS21550-ULSD*).

HCGI Hartford, Inc. d/b/a HCGI: Desktop and Laptop Computers at Various DRBA Locations

The Authority uses HP hardware technology and will be purchasing desktop and laptop computers from HCGI, an authorized reseller of Hewlett Packard (HP) products. New and replacement units will be installed at various locations as needed. HCGI is a party to state contract (*DTI240024-COMPUTER*) to resell HP hardware and offers those contract prices to the Authority.

iHeart Media Entertainment, Inc. d/b/a iHeartMedia: Radio Advertising Associated with Commercial Air Service at ILG

The Authority plans to continue contract services with iHeart Radio to provide radio advertising related to the Air Service Incentive Agreement and the airport marketing associated with commercial air service at ILG.

Info Solutions North America, LLC d/b/a Info Solutions LLC: Data Communications, Products and Services

The Authority plans to purchase various Cisco Systems data communications, products, and services at prices pursuant to their current state contract for the same. Purchases will be made via Info Solutions, a local authorized reseller of Cisco Systems under state contract (*GSS20579 Data Communications, Products and Services*).

Johnson Controls, Inc.: HVAC System Installation, Maintenance and Parts for Building Automation System Authority-wide

Johnson Controls is authorized to provide parts and service to our Metasys Building Automation System. 2026 represents the second year of a potential three-year service contract with this vendor.

Kapsch TrafficCom USA, Inc.: Annual Service, Support and Traffic Automation System for Traffic Management System

Kapsch is the proprietary supplier of the DMB traffic management software system and provides annual maintenance, equipment, support, and enhancements. The Authority uses Kapsch as its provider of intelligent transportation systems in the areas of tolling, traffic management and traffic safety.

Leonardo US Cyber and Security Solutions, LLC: Maintenance of Automatic License Plate Reader Systems on Delaware Memorial Bridge and CMLF Terminals

The Authority was previously authorized to replace the Automatic License Plate Reader (ALPR) system located on the southbound span of the bridge and at the Cape May and Lewes ferry terminals. This expenditure is for maintenance of the systems on the southbound and northbound spans of the bridge along with systems at Cape May and Lewes ferry terminals.

Lewis Environmental, Inc.: Emergency/Spill Response and Disposal

The Authority requires the services of on-call environmental response units on an as-needed basis. Lewis Environmental and Miller Environmental Group each have the ability to provide emergency response and environmental remediation services to the Authority. Since it is impossible to predict which vendor will be available when needed, both vendors will be contacted as need arises at prices pursuant to state contract (*GSS23731-HAZARDS*).

Liberty Coca-Cola Company Beverages, LLC: Fountain and Bottled Soda and Beverages for CMLF

The Authority has contracted Coca-Cola Co. to distribute its beverage products throughout the CMLF vessels and terminals. Coca-Cola is sold according to exclusive distribution rights.

Majestic Oil Company, Inc.: Unleaded Gasoline for CMLF Vehicles and Equipment

The Authority stores and dispenses unleaded gasoline at the Cape May-Lewes Ferry Terminals for use in Authority-owned vehicles and equipment. Majestic Oil supplies the Authority with unleaded gasoline at prices matching their current state contract (*T0083 19DPP00302 Unleaded Automotive Gasoline*).

Marine Safety Corporation: Vessel Life Raft Inspections

Marine Safety Corporation is the local proprietary providers and suppliers of replacement parts for overhauls, emergency repairs and maintenance of the existing life rafts installed on all Authority vessels.

Marine Systems Inc., (MSI): M/V Delaware & M/V New Jersey Main Engine Service

MSI is the regional sales, parts, and service distributor for the Electro Motive Division (EMD) main engines installed on the M/V Delaware and M/V New Jersey. This purchase is for the 16,000-hour maintenance of the port and starboard engines, including inspection of engine internals and aftercoolers, and replacement fuel injectors, valve bridges, sensors, and wiring harnesses.

MES I Acquisitions Inc d/b/a MES Service Company LLC: Uniforms, Apparel, Body Armor, Leather Gear, and Supplies

MES Service Company is a party to state contracts (*DOC24072-APPAREL_BL*) and (*GSS25585-BODY ARMOR*) and provides police uniforms and equipment to DRBA Police at their state contract price.

Microsoft Corporation: Cloud Storage and DNS Services

The Authority utilizes cloud storage of DRBA data and domain network services (DNS) for DRBA websites.

Miller Environmental Group, Inc.: Emergency/Spill Response and Disposal

The Authority requires the services of on-call environmental response units on an as-needed basis. Miller Environmental Group and Lewis Environmental each have the ability to provide emergency response and environmental remediation services to the Authority. Since it is impossible to predict which vendor will be available when needed, both vendors will be contacted as need arises at prices pursuant to state contract (*GSS23731-HAZARDS*).

Motorola Solutions, Inc.: Radio Maintenance and Equipment

The Authority continues to replace all 800 MHz hand-held and in-vehicle radios at pricing in accordance with the state contract held by Motorola (*GSS21676-COMMEQUIP*).

Motorola Solutions, Inc.: Police In-Car Video Management System

The DRBA Police Department requires the proprietary purchase of WatchGuard in-car video systems to equip all Police Officers with similar technology.

Newark Kubota c/o Burke Equipment Co.: Replacement Mowers and Utility Vehicles

The Authority is replacing two (2) front mount mowers and three (3) walk-behind mowers that have exceeded their useful life, meet the Authority's vehicle replacement criteria, and are programmed in the 2026 Capital Equipment Replacement Plan. The replacement vehicles will be purchased at prices pursuant to Kubota's state contract (*GSS25673-GRND_MAINT*).

Oracle America, Inc.: Annual Maintenance and Support for Oracle Databases

Oracle is the proprietary database used for the existing Time Attendance System, the Fare Collection System, the Toll Reconciliation System, and the Procurement/Project Management System. The estimated cost will cover the annual maintenance plus the duplication of the Oracle database for disaster recovery.

Outfront Media, Inc.: Billboard Advertising Associated with Commercial Air Service at ILG

The Authority plans to continue contract services with Outfront Media to provide billboard advertising related to the Air Service Incentive Agreement and the airport marketing associated with commercial air service at ILG.

Palfinger Marine USA Inc.: Inspections, Service and Parts for Rescue Boat Davits

Palfinger is the sole source provider of five-year inspections, certifications, and periodic emergency services for the rescue boat davits aboard each of the CMLF ferries. Such

services are required for each CMLF vessel to remain in conformance with the USCG. The estimate includes the cost of replacing the wire falls, weight test certificates, and the inspection of winch and davit assembly for each CMLF vessel.

PetroChoice: Vessel Lube Oil

Due to the volatility of the petroleum markets, the Authority solicits quotes from all available area providers before making bulk purchases of the ExxonMobil lubricating oil utilized on all Authority vessels. PetroChoice has been identified as having the ability to provide a minimum of 1,000 USG to the Authority. This procurement method allows the Authority to react quickly to swings in spot pricing and ensure that the Authority receives the best value at the time of purchase.

Poppulo, Inc.: Mobile Applications

The Authority will continue with the contract services of Poppulo to maintain and develop the mobile applications for employee communications not currently available within existing Authority systems. Due to an increase in licensing fees, a waiver of the threshold is being requested.

Runway Safe, Inc.: ILG EMAS Runway Safety System Inspection and Maintenance

The Authority is required to maintain the EMAS infrastructure in a safe condition in compliance with FAA standards and grant assurances. Runway Safe is the sole proprietor of the EMS system for the ILG runway run-off protection system.

Siemens Industry, Inc.: Fire Detection System Installation and Support

The Authority utilizes fire alarm system equipment manufactured by Siemens at all Delaware Memorial Bridge and Cape May-Lewes Ferry facilities and requires the proprietary programming services of the original equipment manufacturer to update the system at each facility to reflect changes to building infrastructure. The Authority also utilizes Siemens for general deficiency resolution requiring hardware and software modifications.

Supplytall, a BradyPLUS Company: Food Service Items, Disposable, Paper and Plastic at CMLF:

Supplytall offers the Authority pricing for a variety of products throughout the year via the competitively bid cooperative contract (*OMNIA #152610 for Comprehensive Operational and Janitorial Supplies and Solutions*).

The Revenue Markets Inc. d/b/a TRMI Systems Integration: Toll Lane Treadles

TRMI manufactures the treadles that are used to classify vehicles as they enter DRBA toll collection lanes. TRMI treadles are proprietary to the toll lanes installed at the Delaware Memorial Bridge and cannot be purchased from any other vendor.

Tittarelli, Inc.: Sand Blasting of MV Delaware & MV New Jersey Car Decks

The Authority plans to utilize the services of Tittarelli to operate a Blastrac 2-4800 DH shot blast machine to clear the car deck surface areas on MV Delaware and MV New Jersey. Through commercial blast cleaning, the machine will remove all visible paint, scale and contaminants from the steel. Tittarelli is the only operator in the mid-Atlantic region operating a unit of this size that delivers a consistent product in a shorter period safely and efficiently.

Townsquare Media: Radio Advertising Associated with Commercial Air Service at ILG
The Authority plans to continue contracted services with Townsquare Media to provide radio advertising related to the Air Service Incentive Agreement and the airport marketing associated with commercial air service at ILG.

Tyler Technologies: Maintenance and Support for Finance and Human Resources ERP Systems and Police CAD System
Tyler Technologies is the proprietary vendor that developed the Authority's Enterprise Resource Planning Systems (MUNIS) and the Police CAD System. This purchase will cover the annual maintenance expenses for these systems.

UKG Kronos Systems, LLC: Software Licensing and Maintenance for Time and Attendance System
Kronos is the proprietary time and attendance system used throughout the Authority. The estimated cost includes the annual maintenance contract as well as the purchase of additional time clocks.

UniFirst Corporation: New and Replacement Employee Uniforms
The Authority purchases quality embroidered and logo-imprinted work uniforms for use by Maintenance, Electronics and Engineering Department personnel. A variety of uniforms that the Authority requires throughout the year will be purchased via UniFirst's competitively bid cooperative contract (*Sourcewell #011124-UFC*).

Verizon Connect Fleet USA, LLC.: Authority-Wide Wireless Fleet Management Services
Verizon Connect is under state contract (*GSS22838-VEH_TRACK*) to provide wireless fleet management services. The estimated cost will cover the annual wireless expense to track and monitor all Authority-owned vehicles.

Waste Management: Refuse Removal Services
Waste Management provides the Authority with solid waste removal. Waste Management holds a state contract for refuse hauling and container rental service (*GSS25061-WASTE_RECYCL*).

Wayman Fire Protection, Inc.: Fire Alarm Monitoring, Inspection and System Installations
The Authority utilizes Wayman Fire Protection for fire alarm monitoring inspections, replacements, and repairs at DRBA airports. Due to restrictions in ability to provide service and support for these legacy systems, Wayman is used to service all fire alarm systems.

W.W. Grainger, Inc.: Industrial Supplies, Equipment and Maintenance
Grainger holds a competitively-bid state contract for various industrial supplies, equipment and maintenance items. Purchases will be made at prices pursuant to state contract (*25-FLEET-96861*).

Classification Definitions:

Committee Waiver. The Budget and Finance Committee, in consideration of the DRBA's overall procurement process, may increase or waive the competitive solicitation thresholds established in paragraphs 1 and 2 of Resolution 24-17 for the following reasons: operational needs and issues, a need for uniformity and continuity in materiel and services required by the Authority, and unique or special needs of the Authority including, but not limited to, the desirability of owner-furnished materiel and supplies in vessel repair, maintenance, renovation and rehabilitation (DRBA Resolution 24-17, Section 3).

Cooperative Contract. A purchase of equipment, supplies or non-professional services which, under normal circumstances, would require public competitive bidding in accordance with Resolution 24-17, however the vendor has agreed to provide the goods or services to the Authority at prices less than or equal to that vendor's respective contract pricing awarded as a result of a public and competitively bid cooperative contract intended for the use of other state and governmental entities. This purchase classification includes those "...purchases from cooperatives and/or the piggy-backing of existing publicly-bid contracts for state and governmental entities which State of Delaware or New Jersey may or may not individually publicly advertise".

Proprietary. A purchase necessary to support or maintain existing Authority equipment for which a vendor has the right to prohibit an equivalent product from being supplied. Similar products or services may be available, however the Authority must purchase from the original equipment manufacturer or service provider to uphold a contract, warranty, etc. A proprietary specification typically restricts the acceptable product or service to one manufacturer or vendor; although the product or service may be available from more than one distributor. In another typical example of this classification, a purchase of closed-source commercial software would be categorized as proprietary because the software remains the property of its owner/creator and is utilized by end-users (such as the Authority) under predefined conditions.

Sole Source. A purchase made without a competitive process, based on the justification that only one known source exists or that only one single supplier can fulfill the requirements of the Authority. Sole source procurement is appropriate when the goods or services being acquired: are uniquely qualified to meet the objectives of the Authority; must be compatible with existing equipment; are available within a limited geographic boundary (e.g., distributor with exclusive rights or sales area); are required for use in conjunction with a grant or contract, etc. "*A contract may be awarded without competition if the General Manager or Director of Operations of an Authority facility, or Police Administrator, prior to procurement, determines in writing that there is only one source for the required contract and no other reasonable alternative sources exist that will satisfy the requirements of the Authority*". (DRBA Resolution 24-17 Part 2.f.).

State Contract. A purchase of equipment, supplies, or non-professional services which, under normal circumstances, would require competitive bidding, however the vendor has agreed to provide the goods or services to the Authority at fees less than or equal to that vendor's respective contract as awarded by the State of Delaware or New Jersey. "*Any contract for the purchase of materiel and supplies and non-professional services....which contract individually exceeds \$50,000, or in the combination with other contracts, exceeds \$50,000 in any one calendar year shall be pursuant to a contract entered into by the Authority after competitive bidding. This provision shall not apply to purchases by the Authority from suppliers in cases where the Authority is purchasing at prices pursuant to contracts awarded by the States of Delaware or New Jersey for state agencies.*" (DRBA Resolution 24-17 Part 2.a.).
