RE: HR-218 Certification for Retired Officers

The Delaware River and Bay Authority Police Department is extending the invitation for all retired officers to obtain their HR-218 certification.

Please notify Firearms Instructor Sgt. Ryan Johnston via email at ryan.johnston@drba.net if you are interested in participating in this program so a range date can be scheduled. Please have your application packet and criminal history/fingerprinting completed prior to the forthcoming range qualification day.

Beginning September 11, 2023, Delaware State Police has partnered with a 3rd party nation-wide vendor, IDENTOGO, for all criminal history checks and fingerprinting services. To schedule a criminal history check and fingerprinting appointment, please visit <https://dsp.delaware.gov/obtaining-a-certified-criminal-history/>. The code for "HR218 Other Agency" is #27S22B. The cost is controlled by the vendor. IDENTOGO has coordinated numerous appointment locations which can be selected when selecting the appointment.
